### Indemnity

In accepting to play in the Bangkok Netball League (BNL), I hereby acknowledge that I accept the limited cover being provided (cover exists for a loss of life, loss of limbs or eyes, or other permanent total disablement). Any injury or medical treatment outside the cover provided is the responsibility of the individual player and the Bangkok Netball League (and its organisers and officials or any other person involved in providing this netball league) will accept no liability whatsoever arising out of my participation in this event.

I give permission for the organisers of the BNL to provide first aid and/or organise an ambulance or other transport for myself or my child, and/or to procure emergency medical treatment by qualified physicians should it be deemed necessary by the organisers.

I agree to my details being maintained in a register held by the Committee. This register will not be published or used by the Committee in any manner other than to organise the event.

I acknowledge by signing this registration form that I have read and agree with the details contained on this form and I agree to abide by the BNL rules. A player cannot participate in any games (social, the league or tournaments) until the registration fee has been paid.

### Warm up

To prevent muscle strain injuries all players must warm up before going on to play. The warm-up should be of an appropriate nature given the sporting activity in which the player is to participate and would ordinarily include stretching exercises, a light jog or walk and more stretching.

I agree to the above terms and conditions of membership of the BANKOK NETBALL LEAGUE
